

Learn & Play Enrichment Academy

3102 East Grand Avenue

Hot Springs, AR 71901

Revised: December 2024

Thank you for contacting Learn & Play Enrichment Academy! It is our goal to provide the best educational, physical, social and spiritual atmosphere for your child to learn and grow in! Here are just a few reasons why Learn & Play has become the leading preschool in Hot Springs!

We offer a daily curriculum for all students. Our students use a developmentally designed curriculum that incorporates both faith and academics. "Mother Goose Time" is a nationally recognized curriculum that helps children learn numbers, shapes, colors, word recognition, alphabet letters and sounds, Spanish, and sign language, and it is all done through monthly themes that teach them more about a vast array of subjects. We also have an add-on curriculum offered through our weekly "Chapel Time" that teaches Bible verses, stories and songs that build spiritual foundations. All our curriculum is on a 4-year rotating schedule, so if your child attends our school from ages Infant-5, they will always learn the core curriculum in exciting new ways. Mother Goose Time curricula can also be viewed and followed online with extension activities at www.mothergoosetime.com. In addition to Mother Goose Time, our Pre-K classes use AlphaTales, a curriculum that teaches the ABCs through a collection of alliterative stories—one for each letter of the alphabet! Children will love listening to the rib-tickling adventures of Abby the Alligator, Bubble Bear, the Copycats, and more as they build all-important letter recognition skills that lay the foundation for reading success.

Our teachers are well trained with 32+ hours of training per year, which is significantly more than the 15 hours of training DHS requires. We have regular staff meetings and 4 teacher in-service days each year to help us in provide your child with the best possible care and education available. Learn & Play also has a full-time teacher trainer on-staff to help ensure the best educational environment for your child. All staff members are required to be certified in both child and infant CPR and First Aid. Additionally, all staff undergo thorough background checks and maltreatment screenings as part of the hiring process.

We prioritize safety. Our parents are required to use a code to enter our locked facility and then a fingerprint system is in place that allows children to be checked in and out by authorized parents or approved contacts. We have security cameras in place in all the classrooms that are monitored regularly. We routinely inspect our classrooms and facilities to ensure their safety.

Our school is a Conscious Discipline Model School. This method of teaching allows our teachers to see every moment as an opportunity to teach life skills. Every action or behavior demonstrates a child's skill level. When a behavior or action is not on track with their appropriate developmental level, it is most likely since they have not yet acquired the skills needed to handle the situation. It is in those times that our teachers use their training in Conscious Discipline to present, model and teach the appropriate skill that is missing. We encourage parent/preschool partnership. If you have a problem, question, concern, or suggestion, you are always welcome to schedule a time to have a conference with the Director and your child's teachers. We want to partner with parents in providing the best possible environment for their children.

Learn & Play Enrichment Academy is a non-profit organization and ministry. All proceeds accumulated by Learn & Play are put back into our organization to create the best learning environment for your child.

We look forward to welcoming you to the Learn & Play Family!

TUITION POLICY

Tuition is due on the Friday before the upcoming week of care. If Friday falls on a holiday or a day the school is closed, tuition will be processed the business day before. Any alternative payment arrangements must be coordinated with the office. An ACH account or credit card must be kept on file, regardless of your preferred payment method. Any debit or credit card payments will incur a 3.5% handling fee.

ENROLLMENT, REGISTRATION, AND SUPPLY FEES

To begin the enrollment process at Learn & Play, please complete the enrollment packet available on our website. After reviewing your submission, we will check our rosters to determine a possible start date for your child. While we strive to accommodate your preferred start date, availability cannot be guaranteed. You will be notified if a spot is available or if there is currently a waitlist for the appropriate class. If needed, you may choose to pay a holding fee to secure a spot for your child.

Once a start date is confirmed, a non-refundable annual registration fee of \$150 is due at the time of enrollment and will be charged annually on the last Friday of the year. This fee cannot be prorated. Annual registration fees are used to replenish classroom materials for the year. A child will only be officially enrolled with the completion of ALL required enrollment forms and payment of the registration fee. Enrollment forms include but are not limited to a completed Child Health Report (CHR), an up-to-date immunization record, and a Child Care Food Program Enrollment Form. All fees, including tuition, must be paid prior to your child's first day.

A \$10 monthly supply fee will be charged on the last Friday of every month to support your child's curriculum and daily classroom needs.

ENROLLMENT CONTRACT

Revised January 2025

It is my desire to have my child/children enrolled in Learn & Play. I/we have received a copy of the Learn & Play policy handbook. I/we have read, understand, and agree to abide by the policies contained therein. I/we also understand that my/our child is being accepted on a two-week trial basis. During this time, the staff will make observations and evaluations pertaining to my child's ability to adapt to the daycare surroundings. Unless otherwise notified, my child/children will be accepted and permanently enrolled. I/we further understand that if the policies outlined in this handbook were not adhered to, it would be sufficient cause for the removal of my child/children from the daycare program.

Please **initial** next to each item as a statement that you understand and agree to these policies.

_____ I/we understand we have contracted care for the hours of _____ to _____. I understand that if these times change, I will notify Learn & Play so that proper child/staff ratios can be maintained. I understand that if my child is in care for more than 10 hours per day, I will be charged the extended tuition rates.

_____ I/we understand that I/we must provide a completed Child Health Report, Emergency Contact / Parental Consent Form, and Preschool Agreement Form to Learn & Play Enrichment Academy.

_____ I/we understand that An ACH account or credit card must be kept on file for payments, regardless of my preferred payment method.

_____ I/we understand the daycare fees for my child are due regardless of attendance. No tuition reductions are given for illness, vacation, or inclement weather days. A tuition reduction will only occur in the event Learn & Play Enrichment Academy must close.

_____ I/we understand tuition payments are due on Friday's in advance for the following weeks care. I understand that if tuition payment is not received on Friday, a \$35 late fee will automatically be added to my tuition balance. Check payments will result in a \$5 per payment handling fee.

_____ I/we understand that I am responsible for my child's annual registration fee of \$150 due at the time of enrollment and annually on the last Friday in December for the following year.

_____ I/we understand that I am responsible for my child's monthly \$10 supply fee due on the last Friday of every month to support your child's curriculum and daily classroom needs for the following month

_____ I/we understand the any returned check or declined auto-draft will result in an additional \$35 fee.

_____ I/we understand that I must check my child in by no later than 9:30 AM. A daily \$35 late arrival fee will be automatically added for those who arrive after 9:30 AM.

_____ I/we understand the pickup policy for my child. I understand that my child will not be permitted to leave the facility with an individual that is not listed on the release form.

_____ I/we understand that my child may not be dropped off or picked up within 11:00 AM and 2:30 PM.

_____ I/we understand the late pickup fee is \$35, with an additional \$1.00 per minute for every minute left in care after 6:00 PM.

_____ I/we acknowledge Learn and Play's partnership with the USDA's Child and Adult Care Food Program (CACFP) and understand that my child/children may qualify for free, reduced, or paid meals based on the completed CACFP Income Eligibility Form. I/we understand that I must either opt into Learn and Play's Meal Program or provide meals for my child. I understand if I do not make a selection with the office, my child will automatically be enrolled into L&P's meal program and will be billed accordingly.

_____ I/we understand the illness policy. I/we understand if I do not pick my child up within an hour of being contacted about their symptoms/illness I will be charged a late pickup fee of \$35, with an additional \$1.00 per minute for every minute left in care after one hour. I consent to my child using sunscreen as needed and provided by the parent/guardian.

_____ I/we agree to give a minimum of two weeks written notice (ten full daycare days) to the office of my/our intent to withdraw my/our child/children from the daycare program. If two weeks notice is not given, I/we agree to make full tuition payment for the final two weeks.

_____ I/we acknowledge that I have read, understood, and agree to the policies and procedures of Learn and Play Enrichment Academy as outlined in the Parent Handbook. We understand that the Parent Handbook is accessible online at www.learnandplayacademy.org and that a printed copy can be obtained from the school office upon request.

Behavior Guidance Policy

Learn & Play Enrichment Academy will implement the following methods of behavior guidance:

Discipline shall be individualized and consistent for each child; it shall be appropriate to the child's level of understanding and be directed towards teaching the child acceptable behavior and self-control.

Physical punishment will NOT be administered

The following methods of Conscious Discipline will be practiced:

- Look for appropriate behavior and reinforce the child with praise and encouragement.
- Remind the child daily of the classroom rules and commitments using clear and positive statements.
- Use the "safe place" method. Child will be separated from group and moved to the safe place only when the child does not respond to verbal choices.
- Role Modeling to teach appropriate behaviors.
- Redirection to alternate activities and positive choices are given to all children.

I have read and understand the behavior guidance policy of this childcare facility. I give my permission for the use of the methods explained above.

Learn & Play Enrichment Academy Safety Drills

Thank you for choosing Learn & Play Enrichment Academy to provide quality care and educational services to your child. We are proud to be able to serve you and your children and we continually strive to provide a safe learning environment here at Learn & Play.

The safety of your children and the children in our school, as well as the safety of the school staff is very important to us. In order to maintain a safe environment for your children to learn & play, it is necessary that we practice emergency and crisis response plans by having drills designed to exercise our procedures. This letter is to help you understand the types of drills we implement and their importance in your child's safety.

The students and staff at Learn & Play will be practicing 4 primary emergency drills throughout the year. These 4 drills are "Fire Drills", "Tornado Drills", "Quiet Drills" and "Lock-Down Drills". These drills will be explained in detail below.

Fire Drills ~ Learn & Play will conduct a Fire Drill once per month. This is a DHS requirement. Our Fire Drills will be conducted at various times throughout the school day. If you arrive at the preschool during a Fire Drill, you will notice the main driveway is blocked off with orange cones. At the sound of the fire alarm, all children and staff will exit the building and walk the children to their designated safe location. Teachers will remain with the students in their safe location until the alarm is silenced and the preschool administration instructs the staff and students to return to the building.

Tornado Drills ~ Learn & Play will conduct a Tornado Drill once per month. This is a DHS requirement. Our Tornado Drills will be conducted at various times throughout the school day. If you arrive at the preschool during a Tornado Drill, please remain in the lobby until the drill is complete. During a Tornado Drill, you child's teacher will lead or transport your child and their classmates to their safe location. Teachers will remain with the students in their safe location until the preschool administration instructs the staff and students to return to their classrooms.

Quiet Drills ~ Learn & Play will conduct Quiet Drills to prepare our students and staff on how to remain quiet and safe in their classrooms in the event of an intruder in our school. Although we live in times when these types of drills are necessary, it is our desire to practice this drill without causing fear or distress. All classrooms have been given a "Quiet Drill" book that will be read to the students explaining the "Quiet Drill." The book focuses on student safety and does not use any words that could potentially upset or frighten your child. (Example: 'Intruder" Bad Guy", "Shooter", etc.) Due to the age of our students, it is our desire to simply teach this drill in a positive way that will help them learn to follow instruction and be quiet when asked. Special "Quiet Drill" treats will be given to all students to help keep the environment quiet and calm. The "Quiet Drill" book is available for viewing in all classrooms, as well as in the preschool office. We advise all parents to talk with their children about this very important drill and highly recommend you follow our lead in keeping this drill focused on safety and not fear. Our staff has been trained by the Hot Springs Police Department to act quickly in the event of an intruder. Locks have been installed in all classrooms and safe locations, and teachers have been instructed on the best locations within their classrooms for safety and shelter.

Quiet Drills will be held periodically throughout the year during various times throughout the school day. If you arrive at the preschool during a "Quiet Drill", please remain in the lobby until the drill is complete. Teachers will remain with the students in their safe location until the preschool administration instructs the staff and students that it is safe to resume their normal schedule.

Lock-Down Drills ~ Learn & Play will conduct a Lock-Down Drill periodically throughout the year and at various times throughout the school day. The purpose of this drill is to secure the school building and safely shelter all those inside from any danger outside of the building. During the Lock-Down Drill, all perimeter doors will be locked and remain locked until the administration instructs staff to resume their normal schedule. If you arrive at the preschool during a Lock-Down Drill, you will not be permitted to enter the building. If you are inside the preschool during a Lock-down Drill, you will not be permitted to leave the building. If this occurs, please remain in the preschool lobby until the drill is complete. During a Lock-Down Drill, you child's teacher will lead or transport your child and their classmates to their safe location. Teachers will remain with the students in their safe location until the preschool administration instructs the staff and students to return to their classrooms.

In the event of a legitimate threat or emergency, please follow the following safety instructions to maintain order and allow us to do our job to keep your child safe.

1. All parents will be notified of any legitimate threat or emergency through a Procare Alert. This is the same app that is available to follow along with your students' daily schedule. Parents can choose to view Procare via email or text. In the event of an emergency situation, messages will be automatically sent to all parents within seconds, allowing us to keep our focus on the safety of our students.
2. Do not call the preschool office or come to the preschool campus. In the event of a legitimate emergency or crisis, the preschool phone lines will be used for emergency personnel communication only and the campus will be filled with emergency personnel responding to the crisis. Keeping the phone lines open is crucial in allowing incoming emergency communication. If we have been instructed to lock-down, all perimeter doors will be locked and absolutely no access will be granted into the preschool building.
3. Avoid social media posts. Correct and verified information will be sent directly to you through a Procare Alert.
4. Please make sure all of your emergency forms and contact information is current at all times so that you can be reached without delay in the event of an emergency.
5. In the event of an actual emergency, if children have been evacuated from the preschool building, you will receive a Procare Alert instructing you to the safe location where you can pick-up your child.

Please remember, these safety practice drills are done to help maintain our school as a safe place for your child. If you have any questions regarding any of our safety drills, please contact the preschool office.

Thank you for helping us keep Learn & Play a safe and nurturing environment for your child.
